ALL ARE WELCOME!

Inclusivity Statement

"At St. John's all are welcome!

Wherever you find yourself on your
faith journey; whatever you are believing
or doubting; whether you are married,
partnered, or single; whatever your
physical or mental abilities; no matter
your age or economic status, race or
ethnicity, sexual orientation or gender
identity: we welcome you here to be
met by God, who already knows you
and loves you."

"Christ has no body but yours.

No hands, no feet on earth but yours.

Yours are the eyes through which he looks compassion on this world.

Yours are the feet with which he walks to do good.

Yours are the hands through which he blesses all the world.

Yours are the hands, yours are the feet, yours are the eyes, you are his body.

Christ has no body now on earth but yours."

DISCERNMENT OF GOD'S CALL: Part 2

Dear Friends in Christ,

When I began this interim ministry in June of 2023 I had two goals: 1) was to love you and all things St. John's, even those things that seemed out there for me; 2) was to do all in my power with you by the power of the Spirit to abate your anxieties about your money, your future, and this transition. Along the way we began a deep, and abiding relationship of love and trust that I will treasure always. In so many ways you are the parish I dreamed about leading as a priest my whole ordained life.

Thank you to a vestry which continues to lead with wisdom, grace and good cheer, and to an executive committee of senior warden, Gordon Knox who will continue serving for another year, vestry consenting; Geoff Walker, junior warden, who will retire this year, and the vestry consenting be succeeded by Scott Geist; Doug Hall who began his first term as treasurer, and will continue; and Becky Daugherty, who stepped into the role of assistant treasurer. They walk with me in ways that transcend the "business of the church" and speak to the heart of our spiritual life with me and to me.

Thank you to an extraordinary staff who have accepted new responsibilities and challenges this year, and who always offer grace, kindness, humility, and professional skill to all of us. The next rector will begin ministry with a very strong and dedicated team.

Thank you all for being supporters in every way of Peder and me for meals at Christmas and Easter, so that we would have something substantial to eat literally! It is your thoughtful and caring messages to me by email and text, in cards and in person that have sustained me in my journey. For the "guys" who literally descend on our house and take Peder to lunch, and away from home and chores. I need to give a special shout out to my support group of Mike Salmons, Katie Baughman, Mary Louzan, and Sue Carlson for their loving actions of holding my feet to the fire in being your interim rector.

2024 Reasons to Celebrate (meeting all but one of my 2024 goals)

- A new St. John's Employee Handbook and updated or new job descriptions for the staff
- The creation of an accounting manual for the finance staff, finance committee, and treasurer
- The introduction of Realm, our updated financial and database software
- Three events and several giveaways for day school and church families of pre-school children as part of our program, Faith-filled Families
- A discernment committee in place and in the process of recommending candidates for rector to the vestry
- A capital campaign of both the school and the church launched in its quiet phase and about to go public
- The call of a new head of school for the St. John's Parish Day School and a thriving school that is over-subscribed
- Glorious celebrations at Bee Social and Oktoberfest that are scheduled for this year
- More newcomers than ever
- Updated By-Laws passed at the last annual meeting

- A robust program of adult formation that has included guest speakers and our own members talking about pilgrimage, outreach, and Kenya Connect
- The new vision and mission of the Korean-speaking congregation to support the LGBTQ+ Korean community

2025 Goals

- The call and seating of a new rector
- An expanded set of offerings for small groups that include young adults, families with children, and other cohort offerings
- Growth in our pre-school offerings
- Considering as a congregation joining PATH, the Howard County community, interfaith, organizing group that advocates for common needs for Howard County residents on behalf of churches, synagogues, mosques, temples, and other communities of worship
- A wide-ranging program to transition the new rector fully into life at St. John's in their first year

The rest of this list belongs to your new rector! I said early on that I hoped that I would never lose my joy in being called to serve you. I have not. It has only increased. This is the gift I treasure, and this is the gift I hope you will confer on your new rector. Joy and wonder in you and the works of God in and through you is as good as it gets.

God's peace and keeping,

The Rev. Mary Sulerud, Interim Rector

VESTRY MEMBERS offer their leadership to serve the mission of the congregation — "to strive to bring all into a closer relationship with God and one another through Jesus Christ." Vestry members serve the entire congregation rather than represent one specific ministry. They also continue to serve in the ministries of the parish, practice sound stewardship, and support our bishop and diocesan ministries.

The Vestry includes the Rector, who serves as the presiding officer, and an elected group of parish members. Together, this group is the legal governing and decision making body of a parish with regard to all matters pertaining to the church and its operations. As the presiding officer, the Rector only votes on matters when there is a tie among the other Vestry members.

Vestry duties include creating, approving, and implementing the budget, developing policies, and supporting the mission of the congregation through spiritual leadership. At large churches, such as St. John's, this includes planning and oversight. Operational, spiritual, and liturgical decisions are left to the Rector, staff, and commissions. The work of the Vestry, in collaboration with the Rector, includes identifying goals, opportunities, and challenges; creating a vision that aligns with our mission; monitoring steps toward implementing the vision; overseeing financial health and progress; developing leadership in commissions and committees; communicating with the parish; and ensuring the financial stability of the parish.

HIGHLIGHT #1

The successful completion of the Capital Reserve
Study was by far, our greatest accomplishment this year. Our reserve study is a long-range capital planning tool that will help church leadership, and the Facility Manager anticipate and prepare for the repairs and replacement of St. Johns' common assets. Our reserve study includes both an in-depth analysis of the property's physical condition and a thorough examination of current reserve funds. The resulting reserve study report presents a prioritized schedule of capital projects and a reserve funding plan to offset future costs associated with repairing and replacing the common assets over the next 20-years. The reserve study project was overseen by the Facilities Manager, Junior Warden and the Building & Grounds Committee.

HIGHLIGHT #2

As the frontline Stewards of the St. John's campus, its many buildings, the Parish Day School and the historic church, we continue to work diligently towards changing the culture of how we maintain this incredible place we call St. John's and our home. The practice of deferring maintenance, which has cost us dearly, has been curtailed as it is no longer a viable option nor sustainable practice. Change is not always easy, but with the continued collaborative effort by the Vestry, Junior Warden, Facilities Manager, and Building & Grounds Team, we will continue to transform how we view maintenance, and the necessary "Best Practices" needed in assisting the Facilities Management team.

HIGHLIGHT #3

Sale of 3497 N. Chatham Road property: As this report is being written, the Chatham Road house and property are currently under contract. When the sale is completed, the proceeds from the sale will be used in a number of varied ways to benefit the parish and the community we serve, both long and short-term. This aspect of the property sale will be handled by the Vestry and our Finance and Investment Committees.

JUNIOR WARDEN/BUILDINGS & GROUNDS (continued)

Goals for the next 12 months

- 1. To encourage and develop a simple process to have any projects or usage of campus spaces by ministries, groups and committees vetted and reviewed by the Facilities Manager and assisted by the Building & Grounds Committee, when applicable.
- 2. Become more intentional and assertive with the external marketing of campus rental spaces that will result in an additional revenue stream.
- 3. Continue to work with and monitor our service partners (HVAC, Electrical, Plumbing, and Landscaping contractors, etc.), to ensure that we are maintaining our campus and buildings to the highest standard possible while being mindful of the financial bottom-line.
- 4. Over the next 12-24 months, it is our hope that we will see the installation of a new HVAC system in the Parish Day School Early Childhood Wing, replacing the current antiquated system.

HIGHLIGHT #1

This year the ministry hosted 17 walks: New Year's Day, five Saturdays of Lent, Vernal Equinox, Good Friday, World Labyrinth Day, Summer Solstice, Autumnal Equinox, Pre-Election 2024, Thanksgiving Gratitude Walk, and four Saturdays of Advent. The Labyrinth Ministry capitalized on our beautiful hand-crafted kiosk by creating posters to highlight each of our walks. (Last year the kiosk was created and installed through the carpentry and artistic talents of Steve Davey.)

HIGHLIGHT #2

A portable two-sided sandwich road sign has allowed our ministry to expand its ability to advertise labyrinth events. This addition allows our ministry to establish connections in the wider community.

HIGHLIGHT #3

We are excited about an addition to the Garden Labyrinth's leadership team. This year we welcomed Beverly Sanderson. Her rich and varied insights are supporting us as we seek more opportunities for the congregation and surrounding community to be involved in this sacred worship space.

2025-26 GOALS

In 2025 the Garden Labyrinth Ministry hopes to expand our parish-wide communication and our corps of docents. In addition, we will continue our efforts to serve as a resource for quiet "meditation in motion."

MUSIC MINISTRY

Chair: Justin Pechulis, Director of Music Ministries & Organist

Meeting Time: Rehearsals, Tuesday & Thursday evenings; Sunday

mornings

More Information: jpechulis@ stjohnsec.org; www.stjohnsec.org/Music

HIGHLIGHT #1

For a while, there had been some conversation behind-the-scenes on how to put together a musical ensemble for children and youth, especially since St. John's has a not-too-distant history of a children's choir and a children's bell choir. This program year we established our new youth choir which is open to students in grades four through eight. Its membership fluctuated a little in the beginning, but it currently consists of four enthusiastic young singers. They made their debut at the Christmas Pageant service in December, and have since sung each month, rotating between the 9:00 a.m. service in All Saints Hall and the 11:00 a.m. service in the Historic Church.

HIGHLIGHT #2

The concert series expanded from having done four events as a test run last year, to doing five full-fledged events this year. They consisted of a nice mix of concerts and liturgies, including a concert from the handbell choir, and Advent Lessons and Carols service, and organ recital, a voice and piano recital, and will soon close with a Choral Evensong on Pentecost. All of the events have been well attended, ranging anywhere from 35 to 60 attendees, and have brought in a rough average of \$300 in donations per event, which has gone on to boost funding for the music ministry.

MUSIC MINISTRY (continued)

HIGHLIGHT #3

Perhaps most importantly, the music program this year has continued to emphasize its unity as one large ministry. It is wonderful that we have five ensembles, and each of them with their own set of diverse talents and goals. It is especially exciting to see ensembles collaborating to offer sacred music together, just as we do at our One Worship services, but also more often at special events such as this past Advent Lessons and Carols. In addition, this past August, the music ministry had a summer party where members of every ensemble were invited to attend. All of these collaborative efforts remind us that the music ministry has one goal—which is to create music which enhances worship at St. John's in all its expressions.

2025-26 GOALS

As a whole, our goal for next year is to dig deeper into the work that is outlined above. We hope to involve the youth choir more fully in their first full year by singing every month from October to June. We are looking forward to putting on a brand new season of concerts which will feature even more of our musical parishioners (stay tuned for details soon!) And, we will certainly continue our collaborative work, enabling different ensembles to work together in presenting music from time to time. Finally, we are also hoping to do some recruiting next year, especially in regard to our youth choir, but really with all of our musical groups, so that we can continue to share the joy of sacred music among one another, and present meaningful music to the entire parish community.

ADULT CONNECT

Chair: Katie Baughman

Members: Tom Goss, Sally Goss, Lowell Wilson

Meeting Time: As needed (Zoom or in person) at times that

work for the group. Email consultation.

More Information: Adults@stjohnnsec.org;

www.stjohnsec.org/adults

HIGHLIGHT #1

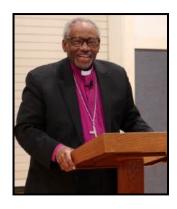

Adult Connect offerings now occur nearly every Sunday, so that it has become more of a habit for people to look for something for adults to gather and learn about during faith formation time between services. Different topics appeal to different people, with attendees varying each week, ranging in number from about 10-30 people, and come from both the 9:00 a.m. and 11:00 a.m. services.

Popular sessions have been led by parishioners (such as "Civil Discourse in Divided Times," "Pilgrimages Old and New"), by clergy ("Sabbath," "Sacraments"), and outside speakers (niece of civil rights pioneer Pauli Murray).

HIGHLIGHT #2

The John Rabb Lecture by Bishop Michael Curry was attended by nearly 70 people, including members of parishes other that St. John's, despite inclement weather!

HIGHLIGHT #3

Following the departure of the Rev. Stephen Hagerty, our thriving small groups successfully transitioned to being run by lay people, under the organization and leadership of Georgi Funderburk.

2025-26 GOALS

- Build up a commission of actively involved members who share leadership in decision-making and hosting.
- 2. Re-evaluate interest in and structure of informal 4th Sunday "Table Talks."
- 3. Develop working relationship, new ideas, and support for Adult Faith Formation with the new rector.

YOUTH CONNECT

Chair: Georgi Funderburk, Minister of Faith & Practice for Children & Youth

Members: Leslie Buchman, Lucy Eldridge, Kerry Birney, Pat Daugherty, Kim Kerry, Rebecca Bunnell, Vivian Stone, John Leovy, Matt Chandler, Erika Winters, Scott Geist, Karen Estrada, Rachel Hoenes Haak, Karen Grieff, and Kristin Mazerski

Meeting Time: Last Tuesday of each month

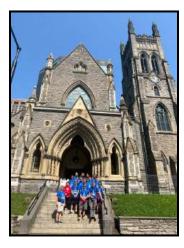

More Information: Youth@stjohnsec.org; www.stjohnsec.org/Youth

HIGHLIGHT #1

We took 17 people (14 youth) to Quebec, Canada for a week-long Pilgrimage. While there, we learned about the native people, the history between Canada and England, a little bit of French, and how to navigate public transportation. We visited 8 churches (including the oldest Anglican Church in North America), a waterfall, a museum, fort, and swam at Plage Jean-Dore. We walked roughly 10 miles a day, served the food-insecure community, walked the stations of the cross, lived in community (including cooking for each other), had daily Bible Study, and shared intimate truths with each other. Upon returning, the youth felt bonded to each other in a way that keeps them engaged and serves as an anchor to St. John's. They also found that their faith was deepened and strengthened, leaving many of them ready to be confirmed as members of St. John's come June 2025. They also began serving on Sundays in order to find ways in which they feel they can give back to God and the people here.

HIGHLIGHT #2

Rite-13 undertook a new venture in partnership with Creation Care to collect soft plastic, keeping it out of the landfill. Once collected, the youth weighed the plastic and delivered it to a NexTrek collection center. The goal was to reach 1000 pounds in one year in order to receive a bench made from the recycled plastic and saw dust. Our youth (with help from the Parish Day School) and met that goal in just under 4 months' time. They celebrated with a pizza party and a blessing at the 9 am ASH service. Through this work, they learned a valuable way to care for the earth, another way to serve God and God's people, and created a deeper community amongst them at the same time. This project is continuing by inviting the new Rite-13 class to participate in the gathering of the material. The Parish Day School is taking ownership of the next phase of this project, but the church will still have a prominent role. The now J2A class hopes to continue their work through educating other places of worship and organizations on how to keep this material out of landfills.

YOUTH CONNECT (continued)

HIGHLIGHT #3

We held three retreats for our youth this year. The first, in the fall, served as a way of reuniting the youth after the summer and reminding them of the love that God has for them. In March, the confirmation students met in the Historic Church for 6 hours as they worked their way through a modern catechism to ensure their readiness prior to being confirmed. In January, we held yet another successful Discovery Weekend with abut 50 youth in attendance. We had just as many volunteers who gave of time and resources to show our youth that they matter. This year's theme was "God's Masterpiece", and we took time to learn how we are created individually, but called together as community so that we might share God's extravagant love. Our older youth mentored younger youth while our seniors took a bigger leadership role in mentoring the older youth. Each of our younger youth were prayed over while family and friends laid hands. Youth gave talks that inspired all of us to grow in our faith. Hands waved and feet left the floor as we sang out to Jesus. Youth had the opportunity to receive the Rite of Reconciliation with Rev. Mary, Deacon Ruth, and Chaplain Gigie. As always, youth and parents came out of the weekend exhausted but revived in their love of God and desire to serve.

2025-26 GOALS

- Reach out to children/youth families at St John's who are not a part of the youth program to see if we can engage them in the Youth program
- Build enthusiasm among those already participating in order to stabilize our numbers
- Increase the number of adult volunteers who do not currently have a child in the youth program, as they make wonderful resources for our youth
- Create more community amongst the parents of youth through activities and small groups
- · Have a successful Mission Trip to West Virginia
- Partner more with the diocese for youth events

CHILDREN'S CONNECT

Chair: Lucia Martin

Members: John Helder, Beth Jenior, Danielle Gottwig, Katie Kelel, Leah Miller, and Georgi Funderburk, Minister of Faith &

Practice for Children & Youth

Meeting Time: 3rd Wednesday of each month, 7:15 p.m.

HIGHLIGHT #1

Rebranded Children's Faith Formation (CFF) activities to communicate consistency with Youth Connect – CFF is now Children's Connect for grades PreK-5. Met with Children's Connect teachers and Youth Connect teachers at the beginning of the school year to connect and plan for the upcoming year. Supported this connection by youth volunteering with Children's Connect students the 3rd Sunday of the month.

HIGHLIGHT #2

Delivered a more developmentally consistent program by providing lessons to Lower Kids' Club (PreK-1) and Upper Kids' Club (grades 2-3) using a rotation-based approach to study each Bible story for 2-3 weeks engaging in interactive activities. Explored a different Bible story each week through hands-on activities with students in Survivor (grades 4-5).

HIGHLIGHT #3

In partnership with SJPDS and sponsored by Faith Filled Families, Georgi Funderburk and Chaplain Gigie Sijera-Grant offered a mac and cheese dinner and Candle Walk service for Parish Day School and Lower Kid's Club students and their families. Distributed to these children and families Lenten boxes or prayer card sets to help families explore Lent more deeply.

HIGHLIGHT #4

To encourage family engagement and connections with other families, sponsored a family movie night (37 people attending) and worked with the Progressive Dinner planning group to sponsor a family strand for the first time.

2025-26 GOALS

- 1. Build stronger connections between Youth Connect and Kids Connect programs and the adults who work with them.
- 2. Provide opportunities for families to connect by providing naturally occurring spaces like an area where parents can chat while their children are in activities, as well as structured opportunities like small groups for parents to engage in spiritual growth exploration.
- 3. Increase the number of adults who are working with Children Connect by reaching out to the broader community.

HIGHLIGHT #1

Beginning Earth Day, April 22, 2024, Creation Care invited St. John's Rite 13 Youth Group to take on a leadership role to tackle single use plastics in our environment. In collaboration with St. John's Parish Day School, residents of Miller's Grant, and St. John's parishioners, more than 1,000 lbs. of single use plastic film was collected and delivered to Sprouts as part of the NexTrex Challenge. Affectionately renamed by Rite 13 as the "Bagzilla Project" the parish earned a repurposed outdoor bench from the Trex Company as a result of their stewardship efforts. The combined efforts of the congregation, youth, Parish Day School, and Miller's Grant community exceeded Commission goals to develop hearts open to fulfill a shared calling to honor, support, and protect all of God's good gifts!

HIGHLIGHT #2

This year's garden highlights:

- installed 250 plant identification signs containing QR codes to access Lady Bird Johnson Wildflower Center (https://www.wildflower.org)
- installed five new shrubs behind sanctuary of the Historic Church
- installed one new shrub in front of Rose Hill parking lot
- installed five native plant signs from Interfaith Partners of the Chesapeake (IPC).

HIGHLIGHT #3

During Lent, the Creation Care Commission invited parishioners to share their love of the planet by completing 40 acts of loving kindness for the earth. The hope was that this initiative would encourage everyone to consider additional ways to place the care of God's Creation at the heart of our common life. Parishioners could access loving kindness suggestions via the St. John's website each week during the season of Lent.

CREATION CARE (continued)

2025-26 GOALS

In 2025 Creation Care Commission aims to expand parish wide education and communication by launching its webpage. In addition, the NexTrex "Bagzilla Challenge" returns with the Parish Day School taking on the leadership role as we continue our efforts towards being instruments of our plant's healing.

HIGHLIGHT #1

The Interfaith Refugee Ministry continues to be an extremely impactful effort which first began in 2021 at Christ Church in Columbia. St. John's joined this ministry in 2022 and now is one of seven congregations that assist with seven families who have immigrated from Afghanistan. The dedicated volunteers, led by Susan Fedors and Scott Geist provide many important services, such as housing, transportation, household needs, educational services as well as job mentorships.

HIGHLIGHT #2

The 2024 Rummage Sale brought in a record amount of over \$23,000! This number was possible as we had many dedicated volunteers who donated their time and talents to provide a successful church-wide event. Elaine Trogdon coordinates this effort which enables our commission to provide much needed financial resources to our many Outreach ministries.

HIGHLIGHT #3

The Outreach Commission has been blessed with additional members which will allow our Ministry to continue working with so many of our impactful partners. We invite anyone interested to be a part of the amazing team.

2025-26 GOALS

Our goal for this next year is to continue to grow the many ministries that provide needed assistance and support to so many organizations both local and abroad. Some of these ministries include the above mentioned Rummage Sale, and The Refugee Ministry as well as Kenya Connect, The Day Resource Center, the Casserole Ministry, the Food Pantry at UMBC, the holiday baskets that support ARC of Howard County and The Kirk P. Gaddy Youth Center in East Baltimore, The Bea Gaddy Coat Drive, The Children's Home in Catonsville, Rise Against Hunger as well as re-establishing our relationship with Rebuilding Together Howard County.

HIGHLIGHT #1

Walking the Mourner's Path Ministry provides an 8-week Christ-centered, facilitated, small group course for those grieving loss of a loved one. Typically, there are 4-6 participants who meet once a week for eight contiguous weeks with two trained facilitators and one clergy person for 1.5 hours each session. This national program has proven effective in helping individual participants move through their grief toward more joyful and purposeful lives.

HIGHLIGHT #2

Bereavement Ministry: Members organized eight funeral receptions in 2024 and one so far in 2025. Volunteers set up mourner's/food-drink-tables with tablecloths and flowers, coordinated donations, kept food supplied, cleaned up, and prepared left-overs for family (or possibly to donate to the Fire Department). Those receptions ranged from 30 to 450 people.

HIGHLIGHT #3

- Mental & Spiritual Wellbeing: This Ministry continues to offer opportunities to explore meaningful
 ways to strengthen their well being through workshops with small groups that engage the whole
 person. Insights into experiential events are shared monthly in Blessings.
- Stephen Ministry: Judy Anderson welcomed newly commissioned Diane Heim to the leadership team. This past year the team served 14 care receivers in the St. John's community and Howard County Consortium, over approximately 400 care-giving hours.
- Prayer Shawl Ministry (Click of Comfort) welcomed several new knitters and crocheters. This past year 42 shawls were given to those experiencing life's difficulties across the St. John's and Parish Day School communities, and others.
- Prayer Chain This voluntary ministry requests prayers for parishioners or family members in times of need. This past year, 53 active prayer chain parishioners provided intercessory prayers in response to nine requests.
- Lay Eucharistic Visitors (EVs), a small team of trained and certified individuals led by Deacon Ruth Elder, provided Holy Communion to homebound or hospitalized persons unable to attend church.

PASTORAL CARE (continued)

2025-26 GOALS

The Pastoral Care Commission component ministries will each clarify guidelines, resource needs, and challenges for their respective missions. Each will identify priorities, specify key activities and accomplishments, begin to capture best practices, and encourage feedback. And they will consider ways to better share information and develop and grow participation.

IN APPRECIATION

Earlier this year, long-time parishioner Tina Millard stepped down from St. John's Pastoral Care Commission to focus more time with her family and home on the Eastern Shore. How does one begin to thank Tina for all the gifts of time and talent she has given St. John's parish over the years?

She came to us as a young mother of three and quickly saw the need for being a Sunday school teacher in our Children's Faith Formation program. Then, out of her own personal loss, she sought out and established a Christ-centered grief support program called Walking the Mourner's Path and established this program since 2014. She was so adept at training facilitators. She was asked to train other potential facilitators at parishes across the nation. In recent years, Tina became a Stephen Minister leader and trainer, helping those who needed support in times of personal crisis. It was her leadership style to perceive a need and roll up her sleeves to get it done. When the parish Prayer Chain needed a moderator, she stepped up to compose and send prayer requests to those needing such support.

It could be challenging to name a parish program or activity that has not been touched by Tina's generosity of spirit and keen intellect. Thank you is an understatement for the gifts she has given to St. John's, but thank you again and again for making St. John's a better place because of your efforts.

Thank you, Tina!

STEWARDSHIP (SC) & PLANNED GIVING (PG) COMMITTEES

Chair: Ann Rasenberger (SC, PG)

Members: Rev. Mary Sulerud (SC, PG), Marcia Boyle (SC, PG), Ann Corbett (SC, PG),

Barbara Epke (SC, PG), Bob Taylor (PG), Phil Stackhouse (PG)

Meeting Time: The Stewardship Commission does not have a regular meeting time; it meets as needed. The Planned Giving Committee meets bi-monthly, usually on the second Tuesday of the month at 5:00 PM on Zoom.

More Information: Stewardship@stjohnsec.org; www.stjohnsec.org/SupportOurMission

HIGHLIGHT #1

Annual Pledge Campaign: To kick off the annual pledge campaign, St. John's, led by Rev. Mary, and with the assistance the Stewardship Commission and the generous contributions of several donors, held a free dinner for parishioners on September 21, 2024 in ASH Hall. The Rev. Dina van Klaveren, Canon for Stewardship and Development for the Maryland Diocese, delivered remarks. As of April 1, 2025, 299 pledges had been received, raising over \$964,331.

HIGHLIGHT #2

Planned Giving: In late June 2024, the Planned Giving Committee launched a renewed planned giving program with the publication of a planned giving section on the St. John's website and the release of a planned giving brochure. From August 2024 to March 2025, the Planned Giving Committee reached out by letter and email to 150 pledging households in which at least one member was 65 years or older. The letters and emails explained the importance of planned gifts, asked recipients to consider including St. John's in their estate plans, and described resources to help with discernment about planned giving. At the March 3, 2025 Adult Connect, Ann Rasenberger gave a presentation on planned giving. She spoke about the types of planned gifts, how to restrict a planned gift to St John's, tax benefits to heirs of a gift from a retirement account, and how to discern whether to make a legacy gift. Parishioners who have informed the church they have included St. John's in their estate plans automatically become members of St. John's legacy circle, the Dorsey Society. Since last June, 11 additional households/individuals been added to the Dorsey Society, almost tripling the membership. St. John's is very grateful to parishioners who have demonstrated their commitment to the future of St. John's through a planned gift. Dorsey Society members include (in alphabetical order):

- 1. Clare Brooks
- 2. Lauren & Beth Davis Brown
- 3. Ron Buchman
- 4. Peggy & Richard Burrows
- 5. Scott & Leslie Geist
- 6. Tom & Sally Goss

- 7. David & Allison Gradwell
- 8. Tarpley Long
- 9. George Maestri
- 10. Charles Miller
- 11. Sarah Nelson & Roland Russoli

- 12. Ann Rasenberger
- 13. Michael & Teri Salmons
- 14. Jane Sims
- 15. Phil & Pat Stackhouse
- 16. Rev. Mary & Peder Sulerud
- 17. Robert and Maria Taylor

STEWARDSHIP & PLANNED GIVING (continued)

HIGHLIGHT #3

Capital Campaign: The Stewardship Commission assisted with the launch and quiet phase of the St. John's Church/Day School 261 Capital Campaign, which began in January 2025. Stewardship Commission Chair Ann Rasenberger drafted the case for support and assisted in the development of the campaign brochure and pledge form. Stewardship Commission members made recommendations.

2025-26 GOALS

- 1) Support the new rector concerning stewardship issues and goals;
- 2) Hold an event to honor Dorsey Society members;
- 3) Conduct another education session for the congregation on planned giving;
- 4) Through the church's electronic communications and mailings/emails to individual parishioners, continue to remind the congregation at regular intervals of the importance of making a planned gift to St. John's.

TREASURERS: Doug Hall & Becky Daugherty

More Information: Treasurer@stjohnsec.org

Overview of Financial Operations:

The operations of St. John's include: the Church, the Parish Day School; and several donor and designated funds which are tracked and reported separately from our operating budgets. The Church's fiscal year runs on a calendar year basis, January through December, while the School's fiscal year begins on July 1 and runs through June 30 of the following calendar year. This fiscal year is typical of independent schools.

St. John's Episcopal Church operates as a not-for-profit entity and has a goal of reaching a break-even budget—one in which receipts from pledges, plate offerings, investment income, and facilities usage match disbursements on items including staff compensation, faith formation programs, utilities, technology, and campus upkeep. For several years, the Church had a structural deficit, with receipts falling short of expenditures, however in 2025, we reached a balanced budget. This was achieved through a combination of enhanced sources of income (Oktoberfest) and cost savings (not filling the associate rector position). Our primary objective is to have a sustainable and balanced budget for the new rector.

Financial Highlights from 2024:

- We started the year with an approved budget deficit of just over \$40,000 and ended the year with an actual deficit of \$45,884.
- The capital reserve study was completed in March 2024, and was used as the basis for the upcoming Capital Campaign.
- The newly formed Development Committee held two successful events, the Bee Social and Oktoberfest. These programs exceeded our fundraising budget of \$30,000 by over \$1,000.
- The new Head of Facilities, Brad Jones, immediately made significant improvements to operations and capital planning. Under Brad and Junior Warden, Geoff Walker's leadership, Facilities-related expenses came in favorable to budget by over \$10,000.
- In September, 2024, the church received a large gift that permitted St. John's to pay off the Sandy Spring Bank loan for the HVAC unit in full. This immediately improved the operating budget.
- Our interim rector Rev. Mary Sulerud was highly successful with securing donations outside of the annual stewardship campaign.

Goals and Accomplishments for 2025:

- The primary goals are to:
 - \diamond end the year on budget, with no deficit, and
 - ♦ call a new rector before the end of the year.
- The Vestry approved an additional modification of the investment portfolio mix to increase the church's investment income.
- There are efforts being made to increase facility rental income.

TREASURER'S REPORT (continued)

Stewardship:

Pledges are budgeted at \$1,000,000 for 2025, and as of April, pledges stand at just over \$970,000. The average pledge increased from \$3,351 in 2024 to \$3,392 in 2025. We are excited to have 21 new pledges in 2025.

St. John's Parish Day School (SJPDS):

SJPDS is comprised of the Lower School (K through 5th grade) and the Early Childhood Program (3-year-olds through pre-K). Its school building, the CME, was completed in 2001 and accepted its inaugural class of first graders in 2002. For more information about SJPDS, please refer to the Head of School Report.

Church-School Shared Expenses:

The Church pays the full "shared" expenses for the current year; and the School pays the Church an estimated monthly amount for its portion of these shared expenses. For 2024, the School paid approximately \$560,000, of which \$243,000 was for the School's portion of the mortgage and the rest was their portion of facility maintenance expenses.

These shared expenses are laid out in a Memorandum of Understanding (MOU) between the Church and the School that runs from July 1, 2022, through June 30, 2023. Discussions are underway to finalize and updated MOU, and in the new version the PDS has agreed to pay 50% of the mortgage balloon payment due in December 2031 (see below for details).

Church Loan Commitments:

Mortgage: The balance on the mortgage debt as of 12/31/2024 was \$2,933,911 down from \$3,197,604 on 12/31/23. The original mortgage was a tax-exempt bond issued in conjunction with the Maryland Health and Higher Education Facilities Authority (MHHEFA) in December 2001. It matures in December 2031. The interest rate is reset every ten years, and the final reset occurred in December 2021 at 1.67 percent. This bond has a debt service covenant ratio requirement which both the Church and the School met for 2023. Light the Way funds are being used to reduce the impact of the annual debt service payments on the Church's operating budget. The School pays a portion of the mortgage cost as part of its shared operating expenses (see above).

Middendorf Loan: This loan is for the HVAC Unit in the CME building (new addition). The terms are \$400,000 over 20 years at 3% interest. Monthly payments began in March 2023 and are approximately \$2,200 per month.

Sandy Spring Loan: The loan was paid in full and closed in October 2024.

Light the Way (LtW) Funds:

The LtW campaign, launched in 2015, generated pledge receipts of \$1,278,705. These funds allow the Church to make beneficial investments in our people, programs, and campus. The balance in LtW funds as of 12/31/24 is \$202,296, and will primarily be used for the mortgage payments on the CME building. In 2024, the Light the Way funds were used to pay the Church portion of the mortgage payment, and to support of the operating budget (additional \$45,000).

Closing:

The 2025 budget is the first balanced budget in several years and we are optimistic that St. John's can maintain a balanced budget as we call a new rector.

St. John's Cross Award

Previous recipients have been Melinda Becker, Elisabeth Beekman, Karen Good, Dave Standeven, June Robinson, Gill Gawthrop, Monica Fabbri, Beth Mackey, Patty Hagan, Beth John, Tina Millard, Frances Baldwin, Samuel Gawthrop, IV, Mike Runge, Eric Tich, Sarah Kozik, Matt Maloney, Mike Salmons, and Scott & Leslie Geist.

Thomas Cranmer Award

The Thomas Cranmer Award was introduced in 2018 to honor a person who shows a deep commitment to prayer. Named after the first Archbishop of Canterbury and father of the first Prayer book, the award holds up a member of our community who models a life of prayer. Teri Salmons was the first recipient of this award, followed by June Robinson, Sharon Weston-Dawkes, Judy Anderson, Lucia Martin, Peggy Burrows, and Katie Baughman.

St. Francis Creation Care Award

St. Francis Creation Care Award is given to a parishioner who places "the care of God's Creation at the heart of our common life." Caring for God's creation is one of the most fundamental things we are called to do. By putting this belief into action, this parishioner acknowledges Creation Care as an act of prayer and discipleship and possesses a heart open to fulfill a shared calling to honor, support, and protect all God's good gifts. Through their efforts we all "grow in grace." (2 Peter 3:18) Nancy McAllister was the first to receive this award in 2023. Mary Louzan and Teri Salmons received the award in 2024.

2024 ANNUAL MEETING MINUTES

5 May, 2024

The 2024 Annual Meeting of St. John's Episcopal Church, Queen Caroline Parish, Ellicott City, Maryland was called to order by the Reverend Mary Sulerud, Interim Rector, at 10:20 AM on Sunday, May 5, 2023. A quorum was present.

A Motion to approve agenda was made by Ron Buchman; Rick Conover seconded. All approved and the motion passed.

The following appointments were made: Parliamentarian Tom Goss Secretary Clare Brooks Teller Sue Carlson

Phil Stackhouse moved that the minutes from 2023 be approved. Patty Hagan seconded.

All approved and the motion passed.

The annual report has been distributed in electronic form to the congregation and hard copies were available at the annual meeting.

The eligibility to vote was reviewed. Balloting was explained. There are four nominees for four slots and three delegates for three slots. When voting, all slots must be checked or the vote will not count.

Jason Sutula spoke about the nominees who are Susan Fedors, Kim Kerry, David McHale, and Janet Loughran. Rev. Mary introduced them and had them stand to be recognized.

The nominees for lay delegates to the diocesan convention are Amy Stalder, Sharon Weston-Dawkes, and Brian Stone.

The balloting commenced and the ballots were collected.

The amended By-laws committee introduced. A motion to approve the amended by-laws was made by Beth Mackey and Brynn Conover seconded.

Phil Stackhouse moved that the amended by-laws by amended to remove the duplication of the words "given voice" so that the sentence reads "all members who are active in the community and provide support to St. John's Episcopal Church be given a voice at any SJEC meeting" and to amend the first paragraph of Article III, Officers, Section 3 The Rector by inserting the words "for the purposes of the office and for the full and free discharge of all functions and duties pertaining to the conduct of the worship and the spiritual jurisdiction of the Parish after the use and control of SJEC property".

The modified sentence would read; "The Rector is vested with the authority over and responsibility for the conduct of worship and the spiritual growth of the SJEC and its members; the use and control of SJEC property for the purposes of the office and for the full and free discharge of all functions and duties pertaining to the conduct of the worship and the spiritual jurisdiction of the Parish; and the employment, supervision and direction over the SJEC staff, subject to such limitations as may be prescribed by the Constitution and Canons of the Protestant Episcopal Church in the United States of America and the Diocese of Maryland."

A motion to approve the amended by-laws with the amendment proposed by Phil Stackhouse was made by Scott Geist and seconded by Ron Buchman. All approved and the motion passed.

Treasurer Report:

Becky Daugherty presented the highlights of the financial details for the year 2023 and 2024 so far. The details are in annual report.

2024 ANNUAL MEETING MINUTES (continued)

Junior Warden Report:

Junior Warden Geoff Walker recognized the members of the buildings and grounds committee and thanked them for their hard work. He also recognized the staff of St. John's: Brad Jones, Warren Harris, Mike Ritonia. He explained that the church was moving from reactive to proactive management and has begun by having a capital reserve study performed. The capital reserve study provides a template for future maintenance and the basis for the capital campaign.

Senior Warden Report:

Gordon Knox advised the congregation that the vestry will focus on other ways to raise money other than merely annual pledges. Gordon discussed the discernment process and search committee. It is important to tell new rector what we want—this is where we want to go. This is what we stand for. The vestry will facilitate transparency so congregation know what vestry knows. There was an acknowledgement of Kathy Young, Tracey Stone, Kathy Hahn, Justin Pechulis, Georgi, Funderburk, Warren Harris, and Brad Jones. Also a recognition of vestry, Rev. Joe Hart, Rev. Stephen, and Rev. Mary.

Rev. Mary:

She is celebrating 35 years of ordination. The church is doing better but is still pinched about finances. We know our building needs and we need to create operating reserve fund over course of 20 years to an amount of \$4 million. We should pay attention to a sequence of capital campaigns every five or so years for big ticket items. Rev. Mary is hoping to do start a capital campaign beginning in the fall. The congregation must also do some serious fundraisers. So far, we have planned the Bee Social and Octoberfest. Rev. Mary would like to make the part time staff full time if we had money. The only full time staff are Mary, Rev. Stephen, and Kathy Young. Brad works 50% for the church and 50% for the school. The part timers do work more hours than they are paid for.

Discretionary funds for clergy. These funds need contributions from parishioners. They are not funded in the budget. When you call a rector, you have

discerned a vision for the church. You should discern how we are as a church and have a vision and a mission. Be fearless about the call. The church was not ready for a new rector when Mary arrived. It has really changed in 11 months. We have new by-laws. We will soon have new accounting manual and a new employee handbook. There is still a deficit of money to pay for benefits for new rector. Rev. Mary has not needed them; a new rector will. It is her hope that we raise enough money that we will have money to do this. We know we have to raise money through capital campaign, fund raising and pledges and Mary believes we can do it.

The congregation then brainstormed of what the treasures of St. Johns are.:

- The children
- Youth group program
- Welcoming to all
- Our lay leaders
- Parish retreat at Shrine Mont
- Power of small groups
- Our day school
